FAQ

When is the best time to visit? What is the weather like?

While the weather is generally pleasant, it can be quite hot in the summer months (December to February) and quite cold in the winter months (June to August). The weather is generally sunny and clear, but it can be quite windy at times. If you are planning to visit, it is best to check the weather forecast for the area you are visiting. If you are unsure, you can call us on 01823 511111 or visit our website at [www.pacofs.co.za](#). We will be happy to assist you. Any issue can usually be cleared up easily from there.
